SUBJECT:

Secret Service Agreement Concerning
Presidential Protection

Attached please find our proposed revision of the present CIA-Secret Service Agreement regarding protection of the President and certain other persons. This revision is designed to incorporate recent amendments to section 3056 of Title 18, United States Code, to indicate certain increased responsibilities on the part of the Secret Service. We have also reworded certain sections to make them more accurate and bring them in line with our actual working agreement with the Service. The format of the revision shows new language as being underlined and old language which is deleted being crosshatched. I would appreciate your comments.
